

Toronto Selected as Host City for the 2022 Canadian Surgery Forum

The Canadian Surgery Forum (CSF) is pleased to announce that the city of Toronto has been selected to host their 2022 Forum, which will take place from September 15-17, 2022 at the Sheraton Centre Hotel. The event was last held in Toronto in 2016.

“Toronto has emerged as one of the largest healthcare and life sciences hubs in the world,” said Tara Gordon, Vice-President, Business Events at Tourism Toronto. “We’re thrilled to once again host CSF, Canada’s largest surgical meeting, where the top general surgeons in the country can meet and discuss ideas in Toronto - Canada’s centre for medical excellence and innovation.”

Toronto is a city filled with culture and energy and is sure to be a great host for the largest gathering of general surgeons in the country,” added Dr. Paola Fata, President of the Canadian Association of General Surgeons. “Our 2018 membership survey, identified Toronto as the number one preferred city to host a future CSF. With our record numbers in 2016 and with Toronto’s dedication to surgical innovation and research, the conditions were right to bring the CSF back to Toronto.”
